2012-2013
EIGHTY FOURTH ANNUAL REPORT

Chairman Writes

Dear Shareholders,

It is once again my privilege to communicate with you. The year 2012-13 has been challenging for the country in general and for the Foundry Chemicals business in particular. The Society of Indian Auto Manufacturers had projected a growth estimate of 13% for the Automobile Industry at the beginning of the year 2012-13 and accordingly, we had anticipated a good growth in sales volume and value. However, this did not happen and the overall recessionary situation affected industrial growth. Most companies were forced to change their strategy from growth to survival and maintaining market share in an already squeezed market. This in turn resulted in stiff competition affecting margins and ultimately resulting in lower profits. We were able to maintain our market share with sales at more or less last year's level, but at a lower profitability.

As indicated by the Finance Minister in his Budget speech, the global economic growth slowed from 3.9 percent in 2011 to 3.2 percent in 2012. The estimated growth for our country for 2012-13 is put at 5% against the budget estimate of 7.6% and actual growth of 6.2% in the year 2011-12. As per our information, all our major competitors have seen a decline in business. Viewed in this difficult and testing scenario, you will appreciate that our Company has strived to achieve its best. I would however agree with the Finance Minister when he says that there is no reason for gloom or pessimism, and accordingly, your Company is hopeful of recovering lost ground in the current year i.e. 2013-14.

The forecasts now being made by the Industry Association for Automobiles, and other related industries that use your Company's products, for the year 2013-14 are still uncertain. whilst we expect that production in these industries will remain stable, we have increased our focus on exports. Another area offering better margins but demanding better quality and more accurate technical specifications is the range of Coatings and related products from our Bangalore unit. The Company already owns an adjacent plot to our manufacturing facility at Tarapur which can be utilized for future expansions.

Whilst your Company has always kept its doors open to any foreign technical collaboration on the right terms and conditions, it will not delay its own plans of expansion and market penetration both locally and internationally. Your Company is quite confident of its strengths to deliver quality products at prices acceptable to customers in a competitive environment. You will also note from the disclosures in the Annual Report that the executive management team has been strengthened with induction of experts in the relevant fields.

The realizations by way of storage and warehousing charges from the Company's Reay Road unit have helped to remove the burden of its establishment cost including depreciation.

I take this opportunity to assure you that your Company will continue to strive and make all out efforts at maximizing shareholder value and returns, and this onerous task has been entrusted to a competent Management Team which has full logistic support of the Allana Group.

Sincerely,

Shiraz A.R. Allana
Chairman.

III OTHER INFORMATION

1. Reasons of loss or inadequate profits

The Company's business is directly related to Automobile Market and because of recessionary trend along with higher cost of imported material, production and profitability of our Company is affected. The forecasts for the year 2013-14 by the Industry Association for Automobiles, and other related industries that uses the Company's products are uncertain. The area which is posing real challenge is the volatile fluctuation in the prices of key raw materials which would make the planning of purchases, stock levels and production a tough task. Looking into the scenario for the year 2012-13 which was challenging for the country in general and for the Foundry Chemicals business in particular.

At the beginning of the year 2012-13, The Society of Indian Auto Manufacturers had projected a growth estimate of 13% for the Automobile Industry. However the industry performance remained far below then growth estimate. Overall recessionary situation affected industrial growth. Most companies were forced to change their strategy from growth to survival and maintaining market share in an already squeezed market. This in turn resulted in stiff competition affecting margins and ultimately resulting in lower profits. We were able to maintain our market share at a lower profitability.

If the trend of 2012-2013 continue in the year 2013-14 the Company may not be able to make adequate profit.

2. Steps taken or proposed to be taken for improvement

To reverse the situation as mentioned under item no.1, following major steps have been undertaken:

Volatile fluctuation in the prices of key raw material has been recognized as a major risk factor in forecasting future performance, the Company has put in place Purchase Policy and a system of Supply Chain Management, headed by a competent person in the field.

We are moving towards the products which are not related to Auto industry not cyclic in nature. Value added product for moulding compounds, refractory and friction application which gives better margin started at Tarapur plant.

More focus on export to Middle East and South East Asian country. This will improve the utilisation of production capacities as well the profitability.

Trying to get technology transfer from European country for value added products.

After establishing a sizable business in foundry chemicals and coatings the Company plans to make a foray in related area of other phenolic resins and Speciality Chemicals. The production capacity of the foundry resins and related products has been doubled at its main plant at Tarapur.

The capacity of coatings at Company's Bangalore plant has been improved by putting up high speed mixer. The production processes have been improved by putting up appropriate storage facilities for the utilities required in the manufacturing of coatings. The Tarapur plant has been made functional for the production of powder resins and related products which were undertaken at Company's Golmuri factory.

Possible business areas are being realigned to ensure steady operations and consistent overall results. To reduce total dependability on the present range of resins and coating products Company is also exploring the possibilities of manufacturing and/or marketing other phenolic or related speciality chemicals, resins and coatings.

The Company is exploring the possibilities for foreign technical collaboration on the right terms and conditions.

The executive management team has been strengthened with induction of experts in the relevant fields.

3. Expected increase in productivity and profits in measurable terms.

Financial Year	Production in Metric Tones	Net Revenue Rs. In Crores	Net Profit Rs. In Crores
2013-14	19000	182.40	8.21
2014-15	22500	220.50	15.89
2015-16	26000	260.00	19.31

IV. DISCLOSURES :

1. The shareholders of the company shall be informed of the remuneration package of the managerial person.
2. The following disclosures shall be mentioned in the Board of directors' report under the heading "Corporate Governance", if any, attached to the annual report : -
 - i) All elements of remuneration package such as salary, benefits, bonuses, stock options, pension etc. of all the directors;
Disclosed in the report at appropriate place
 - ii) Details of fixed component and performance linked incentives along with the performance criteria;
Disclosed in the report at appropriate place
 - iii) Service contracts, notice period, severance fees; In terms of the Agreement entered between the Company and Mr. D.D.Vyas the appointment is for a period of 1 year w.e.f. 1.4.2013 to 31.3.2014 with a notice period of 3 months on either side.
 - iv) Stock option details , if any, and whether the same has been issued at a discount as well as the period over which accrued and over which exercisable.

The Company do not have any scheme of Stock option, hence this clause is NOT APPLICABLE.

All the relevant documents including the resolution of the Board of Directors, Copy of the Agreement between the Company and Mr. D.D.Vyas are available for inspection at the Registered Office of the Company during office hours, except on Saturdays, Sundays and Holidays.

DIRECTORS' REPORT

To
The Members

Your Directors have pleasure in presenting to you the 84th Annual Report of the Company and the Audited Statement of Accounts for the year ended 31st March 2013.

	(Rupees in lakhs)	(Rupees in lakhs)
I. FINANCIAL RESULTS :	2012-2013	2011-2012

Proposed Dividend	155	155
Corporate Dividend Tax	26	25
Balance in Profit & Loss Account	667	507
Carried to Balance Sheet	876	722

II. PERFORMANCE FOR THE YEAR:

During the year the Company achieved revenue of Rs.151.95 crores (net of Excise Duties), as against Rs.154.70 crores during the previous year, despite recessionary situations.

Despite maintaining the sales, the volatility in prices of major raw materials adversely effected margins resulting in lower profits. The profit before depreciation was Rs.6.57 crores as against Rs.8.91 crores in the previous year and the profit after tax and all other adjustments was at Rs.3.69 crores for the year as against Rs.6.04 crores in the previous year.

Realizations of storage and warehousing charges from the Reay Road unit have helped to ease the burden of its establishment cost including depreciation.

Keeping in view the performance and after consideration of other relevant factors, the Directors are pleased to recommend dividend @ 15% or Rs.1.50 per share for the year, same as in the previous year.

III. INSURANCE:

All fixed assets of the Company are adequately insured. Periodical Risk Assessment and adequate insurance coverage of Company's valuable assets exposed to various kinds of risks is a regular, necessary and desirable exercise undertaken by the Executive Management and regularly reported to the Board of Directors.

IV. FIXED DEPOSITS:

The Company does not have any deposits to which provisions of section 58A of the Companies Act, 1956, read with Companies (Acceptance of Deposits) Rules, 1975 apply.

V. CORPORATE GOVERNANCE:

Corporate Governance is corner stone of your Company's philosophy for the Board and Executive Management. Pursuant to clause 49 of the Listing Agreement with Stock Exchanges a Compliance Report on Corporate Governance is annexed as part of the Annual Report.

VI. DIRECTORATE:

In accordance with the Articles of Association of the Company, Mr.Amin H. Manekia and Mr. Shiraz A. R. Allana retire by rotation and being eligible offer themselves for re-appointment.

The Board recommend their re-appointment.

The Board of Directors at their meeting held on 18th March, 2013 have appointed Mr. D.D.Vyas as an additional director as also Whole time Director, designated as Executive Director and President from 1st April, 2013 . The Company has received Notice under section 257 of the Companies Act, 1956 proposing his appointment as a Director, not subject, to retirement by rotation.

The Board recommend the appointment of Mr. D.D. Vyas.

A special resolution has been proposed to be passed by the members at the forthcoming annual general meeting. Members are requested to pass the resolution.

Mr. M.S.I. Lakdawala, Whole time Director and Company Secretary retired as a Whole time Director of the Company from 31st March, 2013 and also consequently vacated the office of director of the Company. The Board of Directors would like to place on record their appreciation of the services rendered by Mr. M.S.I.Lakdawala during his association with the Company as director since 26th April, 2005.

VII. ALLANA GROUP:

The Board of Directors place on record their appreciation of the advice, guidance and support from the Allana Group in general and Mr. S.N.Bhatri, Corporate Representative, nominated by the Group Management to overview the financial aspects of the business of the Company, in particular.

MANAGEMENT DISCUSSIONS AND ANALYSIS**Operating Performance for the Year**

The year 2012-13 was affected by macro-economic conditions resulting in recessionary trend. Increase in cost of major raw materials, aggravated by rupee depreciation, badly affected the margins. Prevailing industry situation did not permit any room to pass on the burden of increased costs to customers. This resulted in lower profits of Rs.5.21crores for the year as compared to Rs.7.77 crores earned in the year 2011-12. However, gross sales was maintained at Rs.167.56 crores which is almost same as Rs.167.46 crores in the year 2011-12. Company's capacity to sustain such pressures was really put to test in the year and it is encouraging to know that despite getting hit on margins, Company has been able to firmly hold its competitive position in the market and retain the loyalty of its major customers. Company's closed unit at Reay Road has made contribution by way of earning in the form of storage income and after meeting the cost of depreciation and other standing charges. Profit after tax for the year under review is Rs.3.70 crores compare to Rs.6.04 crores in 2011-12. The Board of Directors have recommended a dividend of 15% or Rs.1.50 per share, same as in the previous year.

Gearing – up for meeting increased Demand

After establishing a sizable business in foundry chemicals and coatings the Company plans to make a foray in related area of other phenolic resins and Speciality Chemicals. The production capacity of the foundry resins and related products was doubled at its main plant at Tarapur. During the year under review the capacity of coatings at Company's Bangalore plant was also improved by putting up high speed mixer. The production processes have been improved by putting up appropriate storage facilities for the utilities required in the manufacturing of coatings. The Tarapur plant has been made functional for the production of powder resins and related products which were undertaken at Company's Golmuri factory

Future of Exports of Foundry Chemicals and Coatings

The Company's products are making inroad in the international market. The export turnover during the year 2012-13 was Rs.2.60 crores. In view of the good export potential of the Company's products it will be our focus area which in turn will improve the utilisation of production capacities.

Moving with Industry and International Competition

It has been a constant endeavour of the Management to look at all possible areas of realigning the business of the Company so as to ensure steady operations and consistent overall results. The Company will continue to keep concentrating on the Foundry Chemicals and Coatings business. The Management believes that this business offers an opportunity in terms of improving Company's image and market position by way of higher sales and profitability. However, to reduce total dependability on the present range of resins and coating products, Company is also exploring the possibilities of manufacturing and/or marketing other phenolic or related speciality chemicals, resins and coatings. The Company already has the land available adjacent to its present manufacturing plant at Tarapur for putting up manufacturing facilities by the Company on its own or in collaboration with other suitable partners.

Financial Checks

The Company has an internal audit system, which covers all areas of the Company's operations and plays an important role in ensuring a proper internal control system. The Management is aware of the importance of internal controls and steps are continuously taken to upgrade their systems. The checks and controls are constantly monitored by the professional internal audit firms and reviewed by the Audit Committee.

Foreign Exchange Exposure

The Company's exposure to foreign exchange is on account of the import of raw material for which adequate cover is taken to provide against exchange rate fluctuations.

Meeting the Challenge of Price Fluctuations in Key Raw Materials

The area which posed real challenge during the year under review was the volatile fluctuation in the prices of key raw materials. This has made the planning of purchases, stock levels and production a tough task. Recognizing this as a major risk factor in forecasting future performance, the Company has put in place Purchase Policy and a system of Supply Chain Management, headed by a competent person in the field.

Human Resources

The Company is fortunate in having a dedicated team of managerial and other staff built over a period of time. However, wherever it is seen necessary, the Company has been recruiting competent people with desirable technical and managerial skills so as to take forward the business plans of the Company. The Management is always conscious of its responsibilities in this regard.

Historical Perspective and Future Outlook of Foundry Chemicals and Coatings

The Company was incorporated in 1929, mainly as the manufacturers of vegetable oil and vanaspati. Simultaneously the Company has also been in the Foundry Chemicals business since 1964. After a modest beginning by setting up capacity in its Reay Road unit, it established a full fledged, modern factory at Tarapur in Maharashtra for Foundry, Industrial and Speciality Chemicals in 1983. In the meantime, the Company had already set up factories at Jamshedpur for Foundry Chemicals in 1974 and at Bangalore for Foundry Coatings in 1976. The manufacturing facilities at all locations have inherent foreign technology that is upgraded continuously. However, due to inefficient and below economic scale of operations the Company has closed its Jamshedpur factory as of 31st March, 2013. This will not significantly affect Company's plans.

IVP was the first large scale Indian venture that offered the latest technology to the foundry industry in India. This was way back in 1964 and since then Company has come a long way as an important player in Resins and Binder systems and continues to maintain its position and performance.

A strong and committed R & D division fully supported by the technically competent people in the field, has played a major role in helping the Company to achieve and maintain the customer satisfaction.

With the growing reputation and acceptability, today Company's Foundry Chemicals products are making a foray in the international market.

**INDEPENDENT AUDITORS' REPORT
For the year ended March 31, 2013**

To the Members of
IVP LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **IVP LIMITED ("the Company")** which comprise the Balance Sheet as at March 31, 2013 and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i. In the case of Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- ii. In the case of Statement of Profit and Loss, of the profit/loss for the year ended on that date; and
- iii. In the case of Cash Flow Statement, of the Cash Flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004, issued by the Central Government in terms of Section 227(4A) of the Companies Act, 1956, we give in the Annexure a statement on the matters specified in the paragraphs 4 and 5 of the said Order.

As required by Section 227(3) of the Act, we report that:

- (a) We have obtained all the information and explanations which, to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of the books;
- (c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
- (e) On the basis of the written representations received from the Directors as on March 31, 2013, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2013 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

ANNEXURE TO INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

- (i) (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification.
- (c) In our opinion, the company has not disposed off a substantial part of its fixed assets during the year and the going concern status of the company is not affected.
- (ii) (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- (c) The company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- (iii) (a) According to the information and explanations given to us, the company has not granted or taken any loans, secured or unsecured to/from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. In view of the foregoing, the question of reporting on clauses 4(iii) (b), 4(iii) (c), 4(iii) (d), 4(iii) (e), 4(iii) (f) and 4(iii) (g) of the Companies (Auditor's Report) Order, 2003 (hereinafter referred to as the said Order) does not arise.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal control system.
- (v) (a) According to the information and explanations given to us, we are of the opinion that there are no transactions that need to be entered into the register maintained under section 301 of the Companies Act, 1956. Consequently, reporting on clause 4(v)(b) of the said Order does not arise.
- (vi) The company has not accepted deposits from public and hence provisions of sections 58A and 58AA or any other relevant provisions of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public are not applicable.
- (vii) In our opinion, the company has an internal audit system commensurate with its size and the nature of its business.
- (viii) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules made by the Central Government for the maintenance of Cost Records under Section 209(1)(d) of the Companies Act, 1956, in respect of the manufacturing activities of the Company to which The Companies (Cost Accounting Records) Rules, 2011 are applicable and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (ix) (a) According to the records of the company, the company is generally been regular in depositing with the appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, investor education and protection fund, income-tax, sales tax, wealth-tax, service tax, customs duty, excise duty, cess and other material statutory dues applicable to it. No undisputed amounts payable in this respect are in arrears, as at 31st March, 2013, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income-tax, wealth-tax, service tax, sales tax, customs duty, excise duty and cess which have not been deposited on account of any dispute, except as stated below:

Sr. no.	Name of Statute (Nature of the dues)	Amount (Rupees)	Period to which the amount relates	Forum where dispute is pending

The financial statements are prepared under historical cost convention on an accrual basis in accordance with the Accounting Standards referred to in Section 211 (3C) of the Companies Act, 1956, which have been prescribed by the Companies (Accounting Standards) Rules, 2006, and the relevant provisions of the Companies Act, 1956.

(ii) Use of Estimates:

The preparation of the financial statements in conformity with the Generally Accepted Accounting Principles requires Management to make estimates and assumptions to be made that effects the reported amounts of revenues and expenses during the reporting period, the reported amounts of the assets and liabilities and the disclosure relating to the contingent liabilities on the date of the financial statements. Examples of such estimates include useful lives of Fixed Assets, provision for doubtful debts / advances, deferred tax, export incentives, provision for retirement benefits, etc., Actual results could differ from those estimates.

(b) Fixed Assets:

- (i) All fixed assets, except as stated in (ii) below, are stated at cost of acquisition or construction, including financing cost till such assets are put to use, less accumulated depreciation.
- (ii) Freehold land, factory building and plant and machinery at the company's Mumbai factory and the leasehold land, factory building, office buildings, and plant and machinery at the company's Tarapur Factory, which were revalued as at 31st December, 1984 and 31st March, 1989 respectively, are stated at their revalued amounts less accumulated depreciation.

(c) Depreciation:

The company provides depreciation on the straight line method (SLM) for all assets at the rates specified in Schedule XIV to the Companies Act, 1956 except as stated below:

- (i) Leasehold land is amortized over the period of lease.
- (ii) Depreciation on buildings acquired up to 31st December, 1986 is provided at the rates followed at the time of acquisition as per circular No. 1/86 dated 21st May, 1986 issued by the Department of Company Affairs.

Depreciation on revalued assets includes an additional charge on account of revaluation. Depreciation on the revalued amount of the assets reduced by the depreciation that would have been charged but for revaluation amounting to Rs.4,93,682 (2011-2012 Rs.4,93,682) has been transferred from revaluation reserve to the statement of profit and loss.

(d) Foreign Currency Transactions:

- (i) Foreign Currency transactions are accounted at the exchange rate prevailing on the date of transactions.
- (ii) The exchange differences arising on the settlement of transactions are recognized and accounted as income or expenses as and when the payments or receipts are realized.
- (iii) Monetary assets and liabilities denominated in foreign currency as at balance sheet date are converted at the exchange rate prevailing on such date and gain or loss arising from such conversion is recognized and accounted in the statement of profit or loss.
- (iv) In case of forward contracts :
 - The premium or discount is recognized as income or expense over the period of contract;
 - The exchange differences are recognized in the statement of profit and loss in the reporting period in which the exchange rates change.

NOTES FORMING THE PART OF THE FINANCIAL STATEMENTS AND OTHER EXPLANATORY INFORMATIONS FOR THE YEAR ENDED MARCH 31, 2013

- The exchange differences on settlement /restatement are recognized in the statement of profit and loss in the period in which the forward contracts are settled / restated.

(e) Investments:

Long term investments are stated at cost. Provisions for diminution is made to recognize a decline other than temporary, in value of long term investments, where applicable.

(f) Revenue recognition:

- Sales are accounted on dispatch of products to customers.
- Rental Income is accounted as and when they become due.
- Income from services is recognized on fulfillment of terms of contract and right to receive the same are established.

(g) Purchases:

Purchases are accounted net of cash discounts, wherever applicable.

(h) Inventories - stated at lower of cost and net realizable value wherein cost is determined as under:

- Cost of stores and spare parts are arrived at on the weighted average method.
- Cost of raw materials, packing materials, including materials in transit, work in process and finished goods are arrived at on the weighted average method of valuation, including manufacturing overheads where applicable.

(i) Treatment of Contingent Liabilities:

- A provision is recognized, if as a result of past event, the Company has a present legal obligation that can be measured reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability.
- A disclosure for a Contingent Liability is made when there is possible obligation or a present obligation that may, but probably will not, required outflow of resources. Where there is a possible obligation or present obligation where likelihood of outflow of resources is remote, no provision or disclosure is made.
- Contingent Assets are neither recognized nor disclosed.

(j) Employee benefits:

- Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

(ii) Long term benefits :

- **Defined Contribution Plan:**

- Provident and Family Pension Fund:

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the Company make monthly contributions at a specified percentage of the employee's eligible salary (currently 12% of employees eligible salary). The contributions are made to IVP Limited – Provident Fund Trust and the Central Provident Fund under the State Pension Scheme. Provident Fund and Family Pension Fund are classified as Defined Contributions Plans as the Company has no further obligation beyond making the contribution. The Company's contribution Plan is charged to the statement of profit and loss as incurred.

- **Defined Benefit Plan:**

- Gratuity :

The Company has an obligation towards gratuity, a defined benefits retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement,

death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company makes contribution to IVP Limited Gratuity Fund Trust based on an independent actuarial valuation made at the year end. Actuarial gains and losses are recognized in the statement of profit and loss.

Compensated absences :

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is recognized based on number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses are recognized in the statement of profit and loss.

(k) Research and development:

Capital expenditure on research and development is stated in the same way as expenditure on fixed assets. Revenue expenditure on research and development is written off in the year in which it is incurred.

(l) Taxation:

- (i) In accordance with Accounting Standard 22 "Accounting for taxes on Income" issued by the Institute of Chartered Accountants of India, the deferred tax for timing differences is accounted for, using the tax rates and laws that have been enacted or substantively enacted on the Balance Sheet date.
- (ii) Deferred Tax Assets arising from timing differences are recognized only on the consideration of prudence.

(m) Impairment of Assets:

If Internal / External Indications suggest that assets of the Company may be impaired, the recoverable amount of assets are determined on the Balance Sheet date and if it is less than its carrying amount, the carrying amount of assets are reduced to the said recoverable amount.
